UNDERGROUND STORAGE TANK PROGRAM – EXTENSION REQUEST APPROVAL

**CVS PHARMACY (FORMER ROLLING HILLS CARWASH)
25825 SOUTH NARBONNE AVENUE, LOMITA
(CASE NO. I-01353A) (GLOBAL ID NO.: T10000013272)**

Dear Mr. Conway, Mr. Moine, and the Daniel M. Moine Trust:

On February 20, 2020, the California Regional Water Quality Control Board, Los Angeles Region (Los Angeles Regional Board) required CVS, Inc. (CVS) and the Daniel M. Moine Trust to submit a site investigation work plan by March 30, 2020. On March 20, 2020, the Los Angeles Regional Board approved an extension allowing CVS, the Daniel M. Moine Trust, and PCH Lomita, LLC (new added Responsible Party) to submit the required site investigation work plan by April 30, 2020. On April 28, 2020, the Los Angeles Regional Board received correspondence from CVS, requesting that the due date for submittal of the site investigation work plan for the subject site (Site) be extended 45 days from April 30, 2020. The time extension is needed to allow enough time for CVS and the property owner for the Site (PCH Lomita, LLC) to discuss lease obligations and determine who will complete requirements set forth by the Los Angeles Regional Board.

Los Angeles Regional Board staff approve your request. CVS, PCH Lomita, LLC, and the Daniel M. Moine Trust are now required to submit the site investigation work plan by **June 15, 2020**.
